

We advocate for street design & culture that makes it safe, convenient, and fun for all people to move around by bike or foot. We work to educate and empower individual neighborhoods and organizations to meet their active transportation needs and develop a more equitable and sustainable vision.

OPERATIONAL PLAN

2021 GOALS

1. Establish nonprofit operating structure.
2. Generate \$500-\$1,000.
3. Get the city to adopt a Complete Streets policy &/or help Public Works appoint a Head City Engineer who will implement one.
4. Recruit more university student volunteers.
5. See through events & projects
